SURVEYS IN FIVE P.N.G. LANGUAGES

Summer Institute of Linguistics
Ukarumpa, Papua New Guinea

The workpapers in this volume express the authors' knowledge at the time of writing. They do not necessarily provide a complete treatment of their topic, nor have they been particularly edited for publication. However, it is felt that linguists interested in the island of Papua New Guinea will appreciate having these survey papers available in this form.

Richard Loving,
editor

The publication of this book was facilitated by a grant from the Linguistic Publications Fund of the Papua New Guinea Branch of the Summer Institute of Linguistics.
